As the largest distributor of food in East Central Minnesota, Family Pathways provides fresh produce and meals for families, seniors, students and individuals. To learn more about the impact of your donation and other Family Pathways programs, visit: FamilyPathways.org

THANK YOU!

*Having healthy food on the table means more than nutrition; it means one less thing mom or dad has to worry about in an already stressful time. It means a sense of normalcy in a time of struggle. People you'd never expect are hungry – our neighbors, our friends, even our own family members.
