

Helping small businesses weather uncertain times

We all know that supporting small businesses now more than ever is vitally important to their longevity and ability to weather the current economic times.

Falcon Leasing has a long history of rallying around small business. Now more than ever, we stand behind that commitment.

Financial solutions to help provide relief

John Herges, CEO

As a trusted partner to small businesses we can deliver cash flow relief solutions to help get through these challenging economic times.

- 24-hour approvals - application only, up to \$250,000
- Competitive rates and flexible terms
- 90 days no payments and 90 day deferrals available
- Structured payments to match seasonal cash flow

We stand ready to help. Contact us today.
